

Newberry Main Street at a Glance.....

We had a pretty incredible year this year. I want to thank all of the members of Newberry Main Street and all the volunteers that helped through out this year. It takes all of the Board members, members and volunteers to make this program work. Thank you for your belief, support and help in promoting Newberry and the Downtown businesses.

This year one of our businesses was recognized with the Florida Secretary of State Annual Awards. Rocky Voglio of Newberry's Backyard BBQ received Business of the year, and also a Merit Award for best supporter of a local Main Street Program. There were many applications for these awards and we are very proud to have Rocky and Newberry's Backyard BBQ receive such a prestigious award.

We have been raising funds for the Restoration of the Kincaid building this year. That is going really well. We have several grants in progress for funding the restoration. We have started Friday Fling on Fridays in the downtown pocket park. Vendors are coming to sell their gifts, vegetables and a few hot dogs. More information and vendor applications will be on our web site in January. This is just getting started, so we will update everyone in January.

Our festivals this year and the BBQ cook off in October were big hits. The next festival is the 4th Annual Unity Day on Sunday March 21st from 10am till 5 pm. We are looking for vendors and volunteers. The information and application will be on web site. Or you can contact Barbara Hendrix 352 494 5360 if you have questions.

We are helping get the word out about an ASA Pro/AM Archery Tournament coming to Easton Newberry Sports Complex on February 4,5,6,7 2010. This will bring in approximately 1000 archers and their families so we want to support and promote our local businesses.. Check web site for flyer or contact brandie@teacharchery.org or barbara.nms@gmail.com
Have a great 2010!
